Subject: It's Groundhog Day and Congress Has Failed to Fix the Cliff... Again.

Leslie --

Did you wake up today feeling a strange sense of déjà vu all over again?

It could be because it's Groundhog Day. More likely, it's because this is the 125th day you've woken up that Congress still hasn't fixed the community health center funding cliff.

We've all been operating under the assumption that the question is -when- Congress will fund Community Health Centers. But maybe it's time to start asking -IF- they will fund CHCs.

Today, we're asking you to call and [email Senators Tillis and Burr](#) and ask them to sign onto the Blunt-Stabenow bipartisan Senate CHC support letter. **You can call Senator Burr at (202) 224-3154 and Senator Tillis at (202) 224-6342**

Next Tuesday, February 6, please #WearRed4CHCs.

Tuesday will be a national day of action for Community Health Center Funding. CHC representatives will be visiting Washington, DC, and advocates will also

hold events locally here in North Carolina. Contact your CHC and ask them how you can help with this important day!

Thank you,

NCCHCA
